Maps for the Spring Season

Spring is on its way! With warmer temperatures and longer days just around the corner, many of us are ready to break out of our winter hibernation. Whether it's recreation, spring cleaning or trip planning, use the following maps to help guide your upcoming spring activities!

Spring Fun

[Hennepin County Parks Interactive Map](#)

Find nearby parks that offer your preferred amenities using Hennepin County's Parks Interactive Map.

[Hennepin County Bike Routes](#)

Use this map as a guide for your next ride along Hennepin's expansive bikeway system.

[Minnesota DNR LakeFinder](#)

Find information about your favorite lake by entering its name, ID or county. Lakes can also be searched for using an interactive map.

Spring Clean

The following maps will help make your spring cleaning an easy and environmentally-friendly process!

[Hennepin County Battery Drop-Off Locations](#)

[Hennepin County Battery Disposal Locations](#)

[Hennepin County Medicine Disposal Locations](#)

Road Construction

[Hennepin County Transportation Map](#)

Spring commences road construction season in Hennepin County. This map provides Hennepin County's residents and visitors an up-to-date comprehensive picture of what is taking place on roads within its borders.

Random Map of the Season

[Minnesota Historical Aerial Photographs](#)

Ever want to see how the landscape has changed over time? Aerial photos dating back to 1920 can be viewed in this application produced by the University of Minnesota.
